You will need the following information before entering the data:

Weight, First and Last Name of Wrestler, Name of School, Wins, Losses, Placement Points from the **2008** Jr. High Tournament. The program will then automatically figure the total, percentage, bonus points for wins over 10, and deductions for wrestlers with less than 10 matches.

To enter your team on-line go to:

Web-site: <http://www.gimpsoftware.com>

Click on District XI JHS

(The following instructions may also be found on the left-hand side of the [gimpsoftware.com](http://www.gimpsoftware.com) webpage.)

Find the **Add New Team** button and from there fill out the relevant team/coach info. (Make sure you say that the age group is JHS.) Your **password will be your full email address**. Fill in the weights, names, wins/losses and bonus points. The site will do the computations.

When you have completed the form, click on the **Submit these Entries** link. Check for accuracy and **Submit**. Emails will be sent upon various submissions. You can return to make changes any time prior to the stated deadline. Any necessary additions/deletions/corrections to your entries may be done in the Computer Lab at the seeding meeting.
